PROJECT GREEN CHALLENGE

A 30-day eco lifestyle challenge for high school and college students. Simple daily challenges demonstrate how fun, accessible, and impactful conscious living can be!

WHAT IS PROJECT GREEN CHALLENGE?

When: October 1-30, 2013

Where: teensturninggreen.org

PRIZES EVERYDAY

Each of the 30 days will feature a unique theme (food, style, body, water, etc.). With each theme there will be opportunities to engage in challenges. Participants can win prizes and acquire points for the challenges they complete.

Who: Students on high school and college campuses can sign up to participate and to be Campus Reps at teensturninggreen.org.

SO WHY?

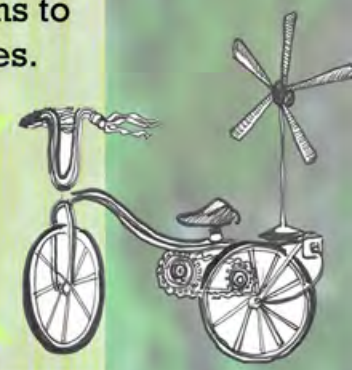

UNDERSTAND THE IMPACTS

PGC 2013 will raise awareness about conscious living, informed consumption, and the collective impact of individual actions to sustain our lives, school campuses, and local communities.
