

BIOLOGY INTERACTIVE NOTEBOOK

Cover and Back Page Requirements

At the beginning and end of each unit, you will design a unit cover and back page, respectively. The guidelines for each follow:

Unit Cover Pages: Follow the guidelines below.

1. **Colorful:** It must be in four or more colors
2. **Neat:** It must be neat (last-minute work will cost you points!)
3. **Unit Focused:** Each unit cover page must include the name of the unit
4. **Unit Relevant:** The image on the unit cover page must be unit-related
5. **Tabbed:** Each unit cover page must include a tab with the name of the unit on it

Unit Back Page Concept Maps: Please follow the guidelines listed below.

1. **Unit Focused:** The central theme of the unit must be the central “bubble” of the concept map.
2. **Include Vocabulary:** There must be *at least ten* concept “bubbles” in the entire concept map.
3. **Relevant to the Unit:** The ideas bubbled in on the concept map must be ideas or terms from the unit covered.
4. **Linked:** Lines or arrows must connect the ideas.
5. **Correct:** The ideas linked must be correctly drawn together.
